

Employment and Training Administration, Labor

§ 609.20

(c) *Certification by the Department.* The Department, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance with the certification from the funds for carrying out the purposes of the Act and this part.

(d) *Use of money.* Money paid a State under the Act and this part may be used solely for the purposes for which it is paid. Money so paid which is not used solely for these purposes shall be returned, at the time specified by the Agreement, to the Treasury of the United States and credited to the current applicable appropriation, fund, or account from which payments to states under the Act and this part may be made.

§ 609.15 Public access to Agreements.

The State agency of a State will make available to any individual or organization a true copy of the Agreement with the State for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.

§ 609.16 Administration in absence of an Agreement.

(a) *Administering Program.* The Department shall administer the UCFE Program through personnel of the Department or through other arrangements under procedures prescribed by the Department, in the case of any State which does not have an Agreement with the Secretary as provided for in 5 U.S.C. 8502. The procedures prescribed by the Department under this section shall be consistent with the Act and this part.

(b) *Applicable State law.* On the filing by an individual of a claim for UCFE in accordance with arrangements under this section, UCFE shall be paid to the individual, if eligible, in the same amount, on the same terms, and subject to the same conditions as would be paid to the individual under the applicable State law if the individual's Fed-

eral civilian service and Federal wages had been included as employment and wages under the State law. Any such claim shall include the individual's Federal civilian service and Federal wages, combined with any service and wages covered by State law. However, if the individual, without regard to his or her Federal civilian service and Federal wages, has employment or wages sufficient to qualify for compensation during the benefit year under that State law, then payments of UCFE under this section may be made only on the basis of the individual's Federal civilian service and Federal wages.

(c) *Fair hearing.* An individual whose claim for UCFE is denied under this section is entitled to a fair hearing under rules of procedure prescribed by the Department. A final determination by the Department with respect to entitlement to UCFE under this section is subject to review by the courts in the same manner and to the same extent as is provided by section 205(g) of the Social Security Act, 42 U.S.C. 405(g).

§ 609.17 Information, reports, and studies.

State agencies shall furnish to the Department such information and reports and conduct such studies as the Department determines are necessary or appropriate for carrying out the purposes of the UCFE Program.

If documents necessary for completion of the form have been assigned to an agency records center or the Federal Records Center in St. Louis, the Federal agency shall obtain the necessary information from the records center. Any records center shall give priority to such a request.

(b) *Failure to meet time limit.* If a completed form containing the Federal agency's findings cannot be returned within four workdays of receipt, the Federal agency immediately shall inform the State agency, and shall include an estimated date by which the completed form will be returned.

(c) *Administrative control.* Each Federal agency shall maintain a control of all requests for Federal findings received by it, and the Federal agency's response to each request. The records shall be maintained so as to enable the Federal agency to ascertain at any time the number of such forms that have not been returned to State agencies, and the dates of the Federal agency's receipt of such unreturned forms.

§ 609.22 Correcting Federal findings.

If a Federal agency ascertains at any time within one year after it has returned a completed form reporting its findings, that any of its findings were erroneous, it shall promptly correct its error and forward its corrected findings to the State agency.

§ 609.23 Furnishing additional information.

On receipt of a request for additional information from a State agency, a Federal agency shall consider the information it supplied initially in connection with such request and shall review its findings. The Federal agency promptly shall forward to the State

§ 609.24 Reconsideration of Federal findings.

On receipt of a request for reconsideration of Federal findings from a State agency, the Federal agency shall consider the initial information supplied in connection with such request and shall review its findings. The Federal agency shall correct any errors or omissions in its findings and shall affirm, modify, or reverse any or all of its findings in writing. The Federal agency promptly shall forward its reconsidered findings to the requesting authority. The Federal agency shall, if possible, respond within four workdays after the receipt of a request under this section.

§ 609.25 Furnishing other information.

(a) *Additional Information.* In addition to the information required by §§ 609.21, 609.22, 609.23, and 609.24, a Federal agency shall furnish to a State agency or the Department, within the time requested, any information which it is not otherwise prohibited from releasing by law, which the Department determines is necessary for the administration of the UCFE Program.

(b) *Reports.* Federal agencies shall furnish to the Department or State agencies such reports containing such information as the Department determines are necessary or appropriate for carrying out the purposes of the UCFE Program.

§ 609.26 Liaison with Department.
